Stingray offers Junos channel, custom playlist

- Radio & Television

MONTREAL – Stingray Music is offering a channel featuring music from the 2015 Juno Award nominees that will be available through March 31.

Stingray Juno Music is available now in over 2.3 million homes through Telus (channel 7925), Telus QC (channel 6626), Videotron (channel 546), MTS (TV App) and SaskTel (channel 798) as well as on the Stingray Music mobile app. A free customized Stingray Music videos playlist entitled Top Picks JUNOS 2015 is also available through all TV operators that offer VOD.

Stingray Music is also the official sponsor of the Juno for the best Blues Album of the year, and, through the **Stingray Rising Star Award Program**, will contribute a \$2,000 bursary to the winner of that category.
